Janssen

Janssen Turkey Raise Awareness on Diseases

On World PH Day - 5th of May, Janssen Turkey held activities to be the voice of patients, caregivers and raise awareness among public in collaboration with Turkish Society of Cardiology (TKD) and Pulmonary Hypertension and Scleroderma Patient Association. Activities that touched patients and the society were carried out with the motto of "Yaşam PAH'asına- At the Cost of Life".

Making use of the healing power of art, on May 24, World Schizophrenia Awareness Day, the company realized the project "Çizimlere Renk Vermiş Hayatlar / Lives Coloring Drawings" with the Community Mental Health Volunteers Education Association and cartoonist Eren Boz.

Johnson Controls

Johnson Controls Ranked Among 100 Best Corporate Citizens

Johnson Controls, the global leader for smart, healthy and sustainable buildings, is proud to once again be named a 100 Best Corporate Citizen in the 2022 rankings. With this important recognition, Johnson Controls becomes one of only 19 companies that have made the list every year since 2009. The 100 Best Corporate Citizens list recognizes outstanding environmental, social and governance (ESG) transparency and performance among the 1000 largest, publicly-traded U.S. companies.

Johnson Controls is particularly recognized for progress against climate change. Among the earliest industrial companies to report carbon emissions and pledge emission reductions, the company continues to make tremendous progress – reducing its carbon and energy intensity by more than 70 percent since 2002.

Organon

Women's Health Company Organon Celebrates their One Year Anniversary!

Organon, the global health care company dedicated to advancing women's health, celebrated its 1st anniversary in Turkey with Organon MENAT representatives. Launched in 2021, Organon is working to meet unmet women's needs by delivering impactful medicines and solutions so that every woman can enjoy better health.

To celebrate the first anniversary globally, Organon announced its very own environmental, social and governance (ESG) platform, known as 'Her Promise'. This details how the company is working to help women and girls achieve the full potential of their promise through better health by expanding access and addressing gender-related disparities in health while building a more sustainable future for women, families, economies, and societies.

Papa John's

Bitcoin Pizza Day

On May 2, 2010, the day Laszlo Hanyecz paid 10,000 Bitcoins for two Papa John's pizzas is considered Bitcoin Pizza Day. As part of the Papa John's & Paribu cooperation, users with Bitcoin in their Paribu account benefited from the large pizza campaign between 20th-22nd of May. The campaign is valid for 1 thin-rimmed large pepperoni pizza for "come and buy" orders through Papa John's website or from the branch. Between the dates of the campaign, 10,000 Large Pepperoni Pizzas were sold at Papa John's branches.

P&G

P&G Turkey: "Love Opens Every Door"

Celebrating its 35th anniversary in Turkey, P&G says "Love Opens Every Door" at its new age and promises to add new ones to the 42 acts of good and love projects it has implemented in the last two years.

Tankut Turnaoğlu P&G Turkey & CCAR Senior Vice President and General Manager said "We touch the lives of 3 million people every year with our Community Impact programs. As corporate citizens, we do our job with love, we serve Turkey with love and we continue our investments. We are working to win the trust and appreciation of the consumers, and we have been doing our best to improve their lives for 35 years."
